

# Online Booking

## Click to send.

Reserve your space quickly and effortlessly with online booking at [aacargo.com](http://aacargo.com).

## Book anytime, anywhere.

With 24-hour access, our online booking provides immediate confirmation and up-to-the-minute information on cargo space availability – along with all the resources, materials you expect and more on **[aacargo.com](http://aacargo.com)** – so that your shipment process will be as smooth and efficient as possible.

## Why book online?

### More efficiency.

It's user-friendly, faster than a phone call and you can work at your own pace.

### More flexibility.

Get instant access and view all your shipping options, 24/7.

### More convenience.

Connect anytime, anywhere to book a wide selection of products in one place.

### More choice.

Browse our full database of available flight options, including connections.

### More access.

Instantly acquire information on pre-bookings, cutoff times, arrivals and more.

### More peace of mind.

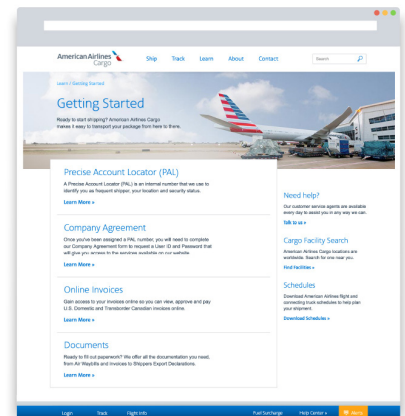

Get immediate confirmation and notifications throughout the shipping process.

# Discover the many advantages of online booking.

- Commonly used information is stored; no repeating the same information every time.
- Edit, cancel and update quickly and easily.
- View all your bookings in one place.
- Search for available capacity.
- Take advantage of Air Waybill rates and promotions.

## Get started in three easy steps.

- 1 Go to **aacargo.com** and click on **“Learn”** and **“Getting Started.”**
- 2 After you've received your PAL, complete our **“Company Agreement”** and designate a Super Administrator.
- 3 Set up your users and assign access.

## Now you're ready to book online.

Just log in to aacargo.com and click on “Booking.”

Select your PAL from the list and click the “Book” button.

Online booking will then open in a new browser window.

## It's as easy as that.
