

Transporting dogs and cats

Here at American Airlines, we care deeply about the welfare of every animal that is entrusted to us. Accordingly, our employees are highly trained to provide professional handling at all times with an eye toward the safety of your animals.

With that in mind, and due to the added constraints of transporting certain live animals, we cannot accept brachycephalic, snub-nosed or mixed breeds of snub-nosed animals and/or other breeds that pose a high risk of travel-related health issues. Please note the restrictions of the following breeds listed below:
