Making you our top priority

As your shipping partner, we know that you value speed and reliability. So when overnight is not fast enough, we work together to offer you same-day service on the next flight out. With our highest boarding priority and fastest transit times our Priority Parcel Service makes sure your shipments get there on the same day - and on time - every time.

Priority Parcel Service Flight Specs

- Now accepting up to 100 lbs.
- Highest boarding priority
- Fastest transit time with shortest handling time
- No advance booking required
- Over 200 worldwide destinations
- Air Waybill(AWB) tracking

If you're a registered aacargo.com user, you can take advantage of Online Booking, which offers 24/7 access, provides instant space availability results and helps you plan your route.
