

Peak Surcharge (PSC)

To offset the increasing costs and our continuous efforts to modernize our business and expand our global reach for customers around the world, American Airlines will assess a Peak Surcharge (PSC) from all origins** to Dominican Republic and Mexico and will include freight and PPS. The fee is based on chargeable weight. ULDs will be based on gross weight. Multiple commodity types on the same AWB will be subject to a surcharge per commodity type. Note: Not applicable to shipments originating in Brazil.
