

Air Freight Fee (VSC)

To offset the increasing costs and our continuous efforts to modernize our business and expand our global reach for customers around the world, American Airlines will assess an Air Freight fee (VSC) from all origins** and will include freight and PPS. The fee is based on chargeable weight and includes both international and domestic shipments. PPS and ULDs will be assessed based on gross weight. Multiple commodity types on the same AWB will be subject to a surcharge per commodity type. Note: Not applicable to shipments originating in Brazil, Hong Kong, Japan, Korea, and Malaysia. **The below are the applicable rates as of July 1, 2022.**
