Disbursement Fee Due Carrier

AA will assess a Disbursement Fee (DBC) when the Shipper or Agent identifies the applicable disbursement amounts (MAA) in the "Other Charges" box (e.g., box 23) of the Air Waybill. The disbursement amounts must be summed in the "Total Other Charges Due Agent" box (e.g., box 27b) of the Air Waybill. This fee will only be applicable when the shipment is tendered "freight collect" and the MAA and DBC fees must be paid by the Consignee.

Disbursement Fees will be the applicable Percentage of the total Due Agent amount, or the applicable Minimum Charge, whichever is greater. When the "Total weight charge" is less than USD 100.00 (or equivalent amount), disbursements up to USD 200.00 (or equivalent amount) are permitted.
