

American Airlines (AA/001) Published Fuel Surcharge Fees

American Airlines will assess the following Fuel Surcharge fees until further notice. These fees are applicable for all shipments on AA (001) Air Waybills (e.g., both online and interline Air Waybills), and should be inserted on the Air Waybill in the “**Other Charges, Due Carrier**” box as “**MY**”. American’s fuel surcharge amounts are based on the Air Waybill date of journey. Fuel Surcharge fees are non-commissionable and American will assess the fees per **Master Air Waybill**, and, except from Japan, Korea and Hong Kong, the fees are based on the actual weight. From Japan, Korea and Hong Kong, the Fuel Surcharge fees are based on the chargeable weight. Fuel Surcharge fees are subject to the applicable tax within the United States.
